the manuscript of alma mahler s diaries a pile of old exercise books lay unread and seemingly illegible in the library of an american university in search of the truth about alma and alexander zemlinsky antony beaumont read them and found what he was looking for but he found far more the authentic saga of one of the century s most charismatic personalities the diaries depict in intimate detail the four years during which alma grew from adolescence into womanhood opening with her first heady affair with gustav klimt they break off shortly before her marriage to gustav mahler to me writes beaumont reading the diaries is like raising a curtain behind which stands the vienna of 1900 in all its majesty and so close that one can almost reach out and touch it the vitality of everyday life eye witness accounts of significant artistic events unique insights into the behavioral patterns and linguistic conventions of homo austriacus all these serve to make the book unique having come to grips with alma s handwriting beaumont and his coeditor for the german edition susanne rode breymann added meticulously researched commentaries and annotations the german

edition was published in the autumn of 1997

focusing on the royal chapel established by philip ii in madrid the essays in this richly illustrated volume offer a series of different perspectives on the development of the main court chapels of europe english version edited by tess knighton the royal chapel in europe as a whole and in spain in particular was a cultural institution where court ceremonial politics music and the arts were brought together in terms of space and function the ramifications for the patronage and cultivation of the arts and the dynamic between music and the arts and the concept of kingship form the focus of the text the phenomenon of groupings of singers chaplainsand musicians at the service of the different european monarchies is of great significance both for the history of music and the political and cultural history of the court in general the royal chapel established by philip ii in madrid was the central religious and musical institution of royal power until well into the eighteenth century and using this as a focus the essays in this richly illustrated volume offer a series of different perspectives onthe development of the main court chapels of europe these papers were delivered at the international seminar la real capilla de palacio en la época de los austrias under the auspices of the fundación carlos de amberes madrid from 14 to 16 december 2000 the volume is edited by tess knighton juan josé carreras and bernardo garcía garcía and translated by yolanda acker

this volume consists primarily of a descriptive catalogue of the threealbums which pepys entitled my collection of heads in taille douce drawings 2978 2980 put together according to the title page in 1700 three years before he died to this has been added a catalogue of the much larger number of portraits to be found elsewhere in the library principally in the printed books for convenience of reference this stray material has been conflated with the subject index of the albums in this way all portraits in the library are catalogued without obscuring the principles on which the albums were designed eric chamberlain was formerly keeper of prints at the fitzwilliam museum cambridge

When somebody should go to the ebook stores, search creation by shop, shelf by shelf, it is essentially problematic. This is why we give the books compilations in this website.
