mastering the american accent is an easy to follow approach for reducing the accent of non native speakers of english well sequenced lessons in the book correspond over eight hours of audio files covering the entire text the audio program provides clear models both male and female to help coach a standard american accent the program is designed to help users speak

standard american english with clarity confidence and accuracy the many exercises in the book concentrate on topics such as vowel sounds problematic consonants such as v w th the american r and t and others correct lip and tongue positions for all sounds are discussed in detail beyond the production of sounds the program provides detailed instruction in prosodic elements such as syllable stress emphasis intonation linking words for smoother speech flow common word contractions and much more additional topics that often confuse esl students are also discussed and explained they include distinguishing between casual and formal speech homophones e g they re and there recognizing words with silent letters e g comb receipt and avoiding embarrassing pronunciation mistakes such as mixing up pull and pool students are familiarized with many irregular english spelling rules and exceptions and are shown how such irregularities can contribute to pronunciation errors a native language guide references problematic accent issues for 13 different language backgrounds publisher s note products purchased from third party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product

directed to speakers of english as a second language a multimedia guide to pronouncing american english covers pronunciation word connections and intonation

a practical guide for speakers of english as a second language to learn to speak and pronounce american english

this is the 3rd edition of the world acclaimed the american accent guide the american accent guide provides comprehensive training on the standard american accent the materials for this program consist of a book and accompanying streaming audio the book provides a link and an access code for the audio which can then be streamed on any digital device the methods and principles of this program are based on the belief that an efficient way to become a clear and effective speaker in a non native language is to gain an understanding of the phonology sound system of that language the american accent guide addresses the entire sound system of american english and gives thorough attention to each of its elements these elements are intonation stress rhythm individual vowel sounds individual consonant sounds the program found in the american accent guide addresses each of these elements through a variety of engaging interactive exercises that use everyday language in situations ranging from casual to technical and from informal to professional the american accent guide is divided into eight sections each of which contains its own numbering sequence and audio each section addresses a

complete and distinct aspect of the american accent so the student can potentially study each part independently although each section is complete in and of itself exercises do reinforce skills addressed in previous sections this makes studying the program in the order presented the most effective way to both understand the concepts and practice and improve one's accent by the end of the course learners will possess a clear idea of how to process the american accent and have the basic speaking tools required to express it they will also be prepared to continue building their accent skills through purposeful listening to the way that native speakers of american english communicate who is the american accent guide for typical users of the american accent guide include universities colleges language schools speech language pathologists esl instructors and individual learners the program is appropriate for students representing all foreign language backgrounds given that they possess at least a low intermediate command of the english language the approach the american accent guide introduces the elements of american english speech in the most logical sequence integrating each of them into natural contexts it takes a highly complex accent system and makes it easy to understand while practicing new speech patterns the learner gains awareness of the underlying rules of the american english sound system these insights facilitate continued improvement and increased fluency in standard american english the dialect the dialect used in the american accent guide is standard american english sometimes referred to as general american this accent is heard widely throughout parts of the united states and canada it is the preferred standard in north american news media and movies exercises in the american accent guide reflect the communication style of american culture and they incorporate common idioms and colloquialisms used frequently in everyday situations the audio the american accent guide is accompanied by clear audio featuring a mix of male and female speakers of standard american english audio track markers are easily located in small circles throughout the text the entire book is available in audio form and the program can be followed using the audio independently should the student wish to use it that way changes to the new edition this new 3rd edition of the american accent guide builds upon the successes of the previous editions it includes revisions with new ideas more exercises and a new expanded section on the topic of word stress

learn to speak standard american style english with clarity confidence and accuracy exercises present tricky vowel and consonant sounds and demonstrate correct syllable stress and rhythm provides tools to change your accent quickly including lists of important rules and exceptions includes tips for speakers whose native languages are either chinese farsi filipino languages french german indian languages indonesian japanese korean portuguese russian spanish or

vietnamese the 4 audio cd s with male and female voices coach you in correct american style pronunciation

the american accent learnway cross the bridge over the divide is the first of a three coursebook series aimed at enabling those who learned their english outside america speak the american way a global standard for spoken english this is coursebook one it provides the foundation via the four lane route which encompasses syllabication tempo voice and articulation the accent sensitive vocal fidelity phonetic system is at its core coursebook one covers most of the journey toward speaking the american way it also covers words that are used differently by americans going beyond the foundation the present coursebook prioritizes the 100 most distinctive american vocal patterns the building blocks of accent the sequels coursebooks two and three of the american accent learnway contain very distinctive and clearly distinctive vocal patterns respectively the vocal pattern tables enable individuals to identify and relearn the vocal patterns that they vocalize differently than americans until the way they speak merges with the american way the vocal pattern tables in the three coursebooks form a comprehensive look up of the vocal patterns that americans vocalize distinctively

five audio cds and one guide book focussing on the core english pronunciation problems accent america essentials addresses the needs of non native speakers who desire to express themselves more clearly and confidently the practice exercises on the audio cds along with explanations and illustrations in the guide book will help develop the fundamental features of an american accent the book is for those who can speak and understand english but wish to reduce their native accent to build self confidence and thus better their careers

mastering american accent in 90 days

for australian and new zealand actors to learn the standard american accent provided by publisher

presents a comprehensive course for individuals of all language backgrounds on the pronunciation and speaking style of american english

did you know you can improve your accent by changing how you say just one word in english

learn how with this detailed book illustrations videos and detailed explanations of accent error patterns and american pronunciation give you everything you need to understand and implement the smart american accent training method you ll change much more than just one word and get the tools you need to improve your american accent

if you re a foreign speaker trying to pronounce american english you may be pushing yourself too hard there s really nowhere to go and seemingly nothing left to do you re stuck with twisted notions of how americans are supposed to sound your aspirations are turning into a real tragedy that plays itself out every time someone asks where you are from this accent reduction manual flies in the face of conventional wisdom it takes the responsibility off your shoulders the vowel and consonant suggestions quickly add up and in only a handful of scheduled lessons you ll see that your dreams of clear speech need not be brushed aside this program is supported by a free series of youtube videos and limited to exactly what you need to improve your hopes will rise like a sun over the morning horizon study in the privacy of your own home perhaps enjoying a double mocha latte as you pick up the basics of clear american speech

american accent drills for british and australian speakers provides a comprehensive guide to learning a general american accent made specifically for native english speakers unlike most american accent guides which are geared toward esl learners this handbook covers only the shifts that english speakers need to make nothing more nothing less in addition to vowel and consonant drills it covers the finer points of american intonation and elision features that often elude english speakers of other dialects finally it provides exercises for owning the dialect finding authenticity and making it work for each individual actor in their own way this is an excellent resource for students of speech and dialects actors from the uk australia and new zealand and advanced esl learners who need to use an american accent on screen or on stage american accent drills for british and australian speakers also includes access to downloadable audio files of the practice drills featured in the book to help students practice and perfect their american accent

a guide to speaking and pronouncing american english for everyone who speaks english as a second language container

a comprehensive accent reduction guide for self study including a book an interactive cd rom

and 4 audio cds with a hard plastic media case

this is the sequel to coursebook one the american accent learnway cross the bridge over the divide it is the second of a three coursebook series it is followed by coursebook three the american accent learnway as one on the summit together with the preceding vocal pattern bridge table in coursebook one and the vocal pattern summit table that follows in coursebook three the inland table in this coursebook will provide you with the means to diagnose your own accent by identifying the vocal patterns you vocalize differently than americans in so doing you will create a personal development plan targeting these for relearning the american way also with the bridge and summit vocal pattern tables the inland table will serve as an integrated comprehensive look up of distinctive vocal patterns for your anytime reference and continued learning enabling you to retrain your accent the inland table covers 200 very distinctive vocal patterns said in the american accent compared with the british they are substantially distinctive and thus make a big impact on accent in terms of level of distinctiveness these vocal patterns fall between the most distinctive covered in the bridge table and the clearly distinctive covered in the summit table while coursebook one takes you most of the way this coursebook two builds on your earlier progress to take you almost all the way coursebook three will then address closure of yet remaining significant gaps
